

**EXPERIENCE PERSONALIZED LIVING IN AN HISTORIC PASADENA GARDEN SETTING
AT THE AMBASSADOR GARDENS' JAMIESON PLACE**

Designer Showcase Home To Be Unveiled March 19th for a Limited Time Only

PASADENA, Calif.— Insignia, City Ventures is pleased to announce the new *Designer Showcase Home* at Jamieson Place, the final enclave of homes at The Ambassador Gardens in Pasadena. The designer-showcased home will be unveiled for a limited time beginning Saturday, March 19th from 11am to 3pm. Guests will enjoy light hors d'oeuvres catered by Mi Piace, and will be given an exclusive tour of the model home. The unveiling is happening in conjunction with the recent release of the final collection of homes at Jamieson Place North, now selling from the \$2 to \$2.75 millions.

Since opening three years ago, Ambassador Gardens has sold 51 homes totaling approximately \$100 million and representing more than half of the homes at Jamieson Place, a popular collection of 39 residences. This last phase follows the incredible sales success of the first residences at Ambassador Garden known as The Bungalows and The Grove.

Jamieson Place is a limited collection of townhomes and flats that combine formal compositions with luxury contemporary amenities. The historic Pasadena garden setting is conveniently located along the renowned South Orange Boulevard. Surrounded by estate gardens dating back to the early 1900s, The Ambassador Gardens features a classic pool and outdoor lounges, historic mansions, walking paths and benches bordered by 100-year-old jacaranda trees, roses and Mediterranean cypress trees that line the community entry.

The ability to personalize a home from beginning to end is at the core of The Ambassador Gardens' homebuyer experience with The Studio by Insignia, a designer gallery located on the property. Insignia is a complete design service that allows each buyer to create a semi-custom home with a unique partnership with Barclay Butera Art, renowned for his approachable elegance and glamorous, West-Coast-chic interiors. A number of options are available when buyers visit The Studio, a design gallery located on The Ambassador Gardens property.
